

4 My favourite weather

Write a short text describing the weather you like best and why. What do you especially like doing in that kind of weather? Perhaps your tastes have changed since you were a child.

5 Drought danger!

During hot, dry summers there is always the danger of a drought. Make a list of Do's and Don'ts about saving and not wasting water.

Do's	Don'ts

6 What would you say?

- Your son/daughter is ill but doesn't want to take his/her medicine.
If _____.
- A friend has bought a new armchair, but you don't think it's in the right place.
The room _____.
- Your partner has just reminded you of a dinner invitation for that evening.
You hope to be home in time, but you're very busy at work.
I _____ if _____.
- It's 8.15, and your son's/daughter's bus leaves at 8.19.
You _____ if _____.
- Your next-door neighbours are having a very loud party, and you have already asked them twice to turn down the music.
If _____.
- A colleague can't decide whether to accept a new job offer or not.
If _____.
