

1 E-commerce: a word jumble

In Unit 8 you learnt about e-commerce in English. There are 10 words connected to the internet in the puzzle below. See if you can find them:

| | | | | | | | | | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| F | L | C | O | L | A | P | T | O | P | O | K | Z | - | C | X | R | W | O |
| C | N | H | G | T | - | O | U | K | T | K | T | R | O | U | A | D | E | O |
| L | K | A | T | Z | Q | K | P | D | O | W | N | L | O | A | D | S | B | H |
| I | N | T | E | R | N | E | T | O | K | J | E | O | B | L | D | N | S | E |
| C | N | R | O | E | A | M | G | E | - | M | A | I | L | Z | R | S | I | F |
| K | T | O | N | P | I | - | P | X | Y | T | V | S | M | A | E | L | T | L |
| P | K | O | G | Z | E | K | J | L | O | L | P | F | - | H | S | E | E | A |
| K | A | M | T | S | U | R | F | R | C | A | C | C | E | S | S | W | E | T |

Now complete the following sentences using some of the words above.

1. I s_____ around and found some music to d_____.
2. Of all the things on the internet, the c_____ are the most fun.
3. But first you must have i_____ a_____.
4. Just send me an e_____ and then I will have your a_____.
5. It is fun to buy goods from interesting w_____.

2 E-commerce: the gerund

In Unit 8 you learnt about the -ing form used as a noun, or the gerund (see page 66 of the Student's Book). Change the following sentences into sentences with the gerund.

Example: *It is easy to order food online.*

Ordering food online is easy.

1. It is easy to look for books on the internet.
2. There is no problem to pay by credit card.
3. It is difficult to shop for shoes online.
4. It's not easy to be confined to the house.
5. It's expensive to stay in hotels.

_____.

_____.

_____.

_____.

_____.

3 Doing it yourself or having something done?

In Unit 8 you learnt about how to say that somebody does something for you, usually for money (see the explanation and examples on pages 68 and 69 of the Student's Book). Change the following sentences, in which somebody is doing something themselves, into sentences where something is done for them.

Example: *They are painting their house.*

They are having their house painted.

1. We made this chair out of wood.
2. She has cut her hair yesterday.
3. She made a new dress for the spring.
4. They are repairing their car.
5. We will clean the house tomorrow.

_____.

_____.

_____.

_____.

_____.
